

Welcome to The Meadows Primary School

We can't wait to meet you!

Hello to you and your family.

My name is Louis and I am from The Meadows Primary School. I hear you are starting school in September! I have made this book to show you all the exciting things that you will see and do when you start school. Can you find me in the photographs?

I can't wait to meet you.

Love Louis xxx

How will you get to school? Will you walk, come in the car or ride your bike?

You can leave your bike in our bike shed so it's ready for you to ride home again after school.

Before school starts, you will wait for your teacher on the playground. You need to wait near this sign. I wonder if you will be able to find it on the playground?

When you come into school you will need to find your peg to put your coat on and the box to leave your book bag in.

Then it's time to start your day at school!

You will meet lots of new friends at school! This is my friend Paula. We love playing together.

What are your favourite activities to do? I wonder if we do the same at school?

More fun activities!

We love going outside too!

You will stay at school all day! It's hungry work, but don't worry because there is a snack time where you will enjoy a drink and a piece of fruit.

At lunchtime, you will sit in the hall with some of the other children and you can choose to have a delicious, hot dinner or bring your own packed lunch.

After you have eaten your lunch, you will go and play on the playground with some of the other children at our school.

Do you know any children who already come to The Meadows?

We hope you have enjoyed reading about your new school. We can't wait to meet you soon!
