

Welcome to our celebration assembly!

NOVEMBER 8TH 2024

Our super cutting skills helped us prepare delicious snacks inspired by our learning about Christopher Columbus and his ship the Santa Maria!

Sunflowers

The Poppies really enjoyed making snacks this week. We made Christopher Columbus's boat, the Santa Maria using food! We have also been making number lines using multiples of 2.

Poppies

Our art skills
'rocketed' this
week when we
investigated how
to make thick and
thin lines with
chalk pastels.

Look at our
beautiful firework
pictures!

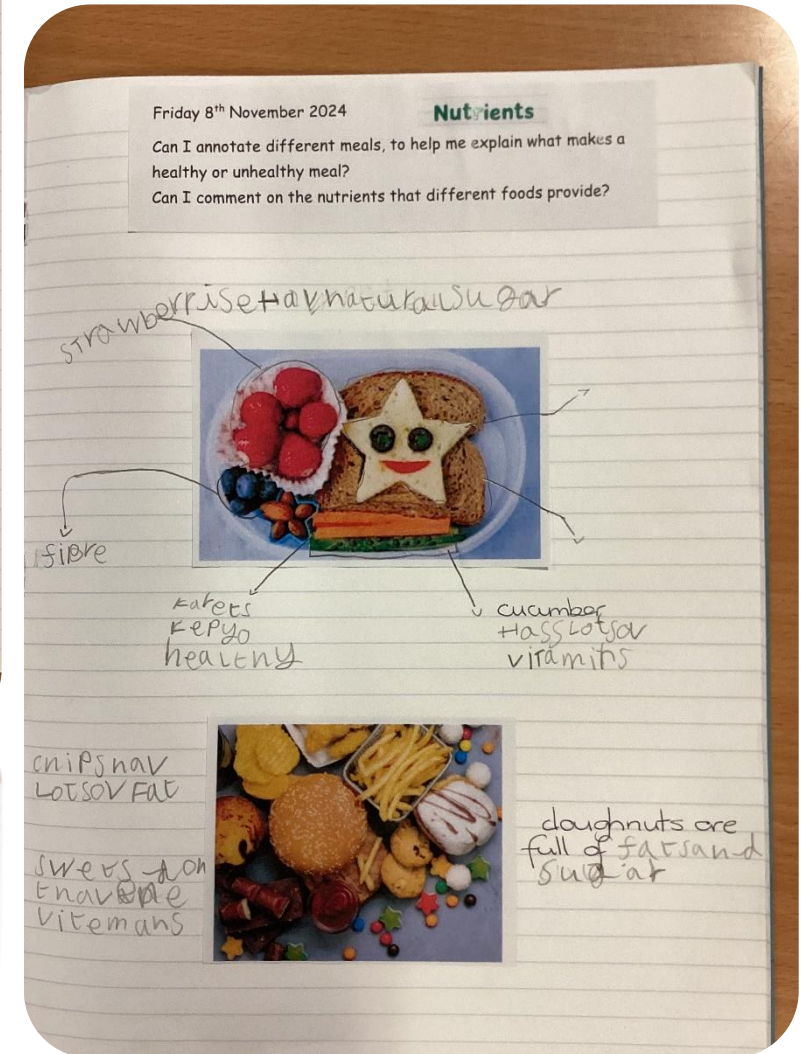

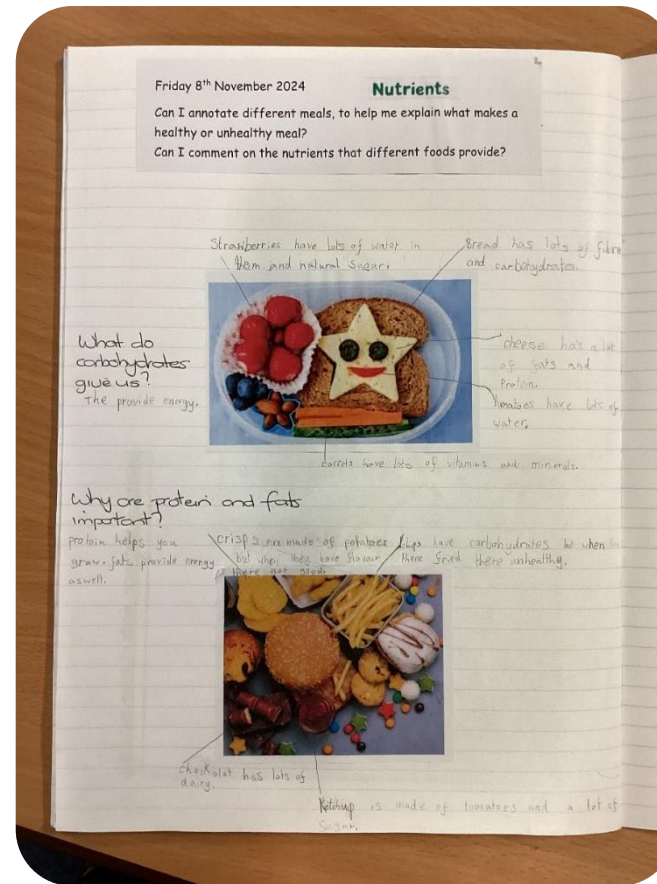

Bluebells

This week we have been learning about healthy eating and the different nutrients we find in foods.

We realised that they are all important in different ways.

Pines

This week in our music session we were introduced to some new musical instruments.

The children enjoyed learning to play the surdo drum, the agogo bells and the tambourim.

Blossoms

Y3 learned about the Hindu creation story.

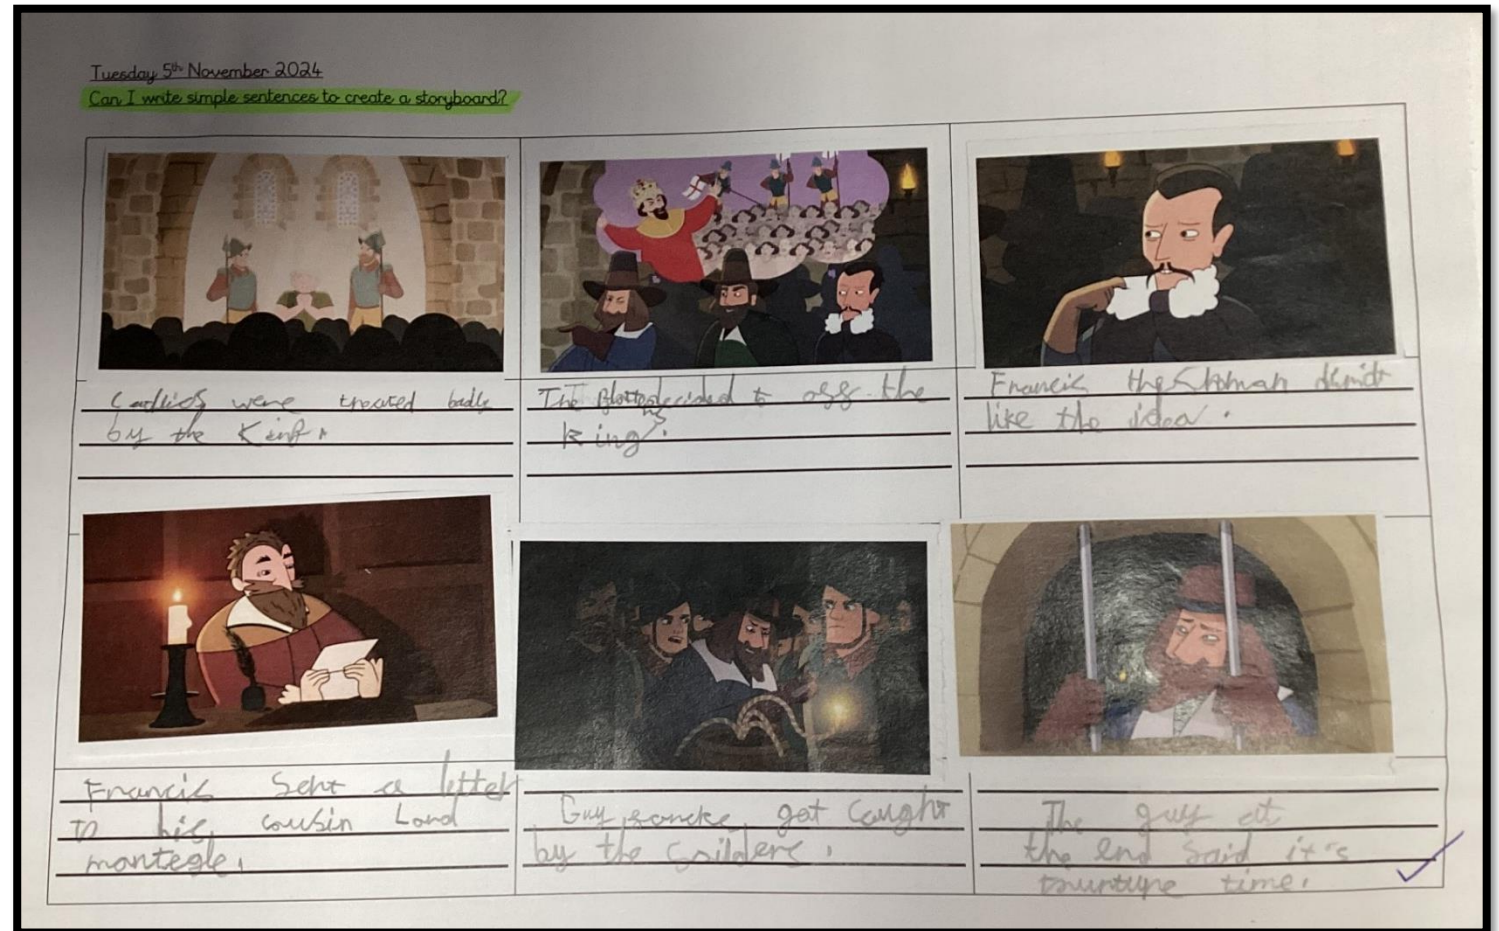

We followed some origami instructions to create our own lotus flower, which was an important part of the story.

Together, we also read and ordered the story.

We have enjoyed learning about Guy Fawkes and the reasons behind why we celebrate bonfire night.

We created storyboards to show his story.

In PE, we have practised our three, two and one point balances.

We have also focused on our body positioning to refine our forward rolls.

Sycamores

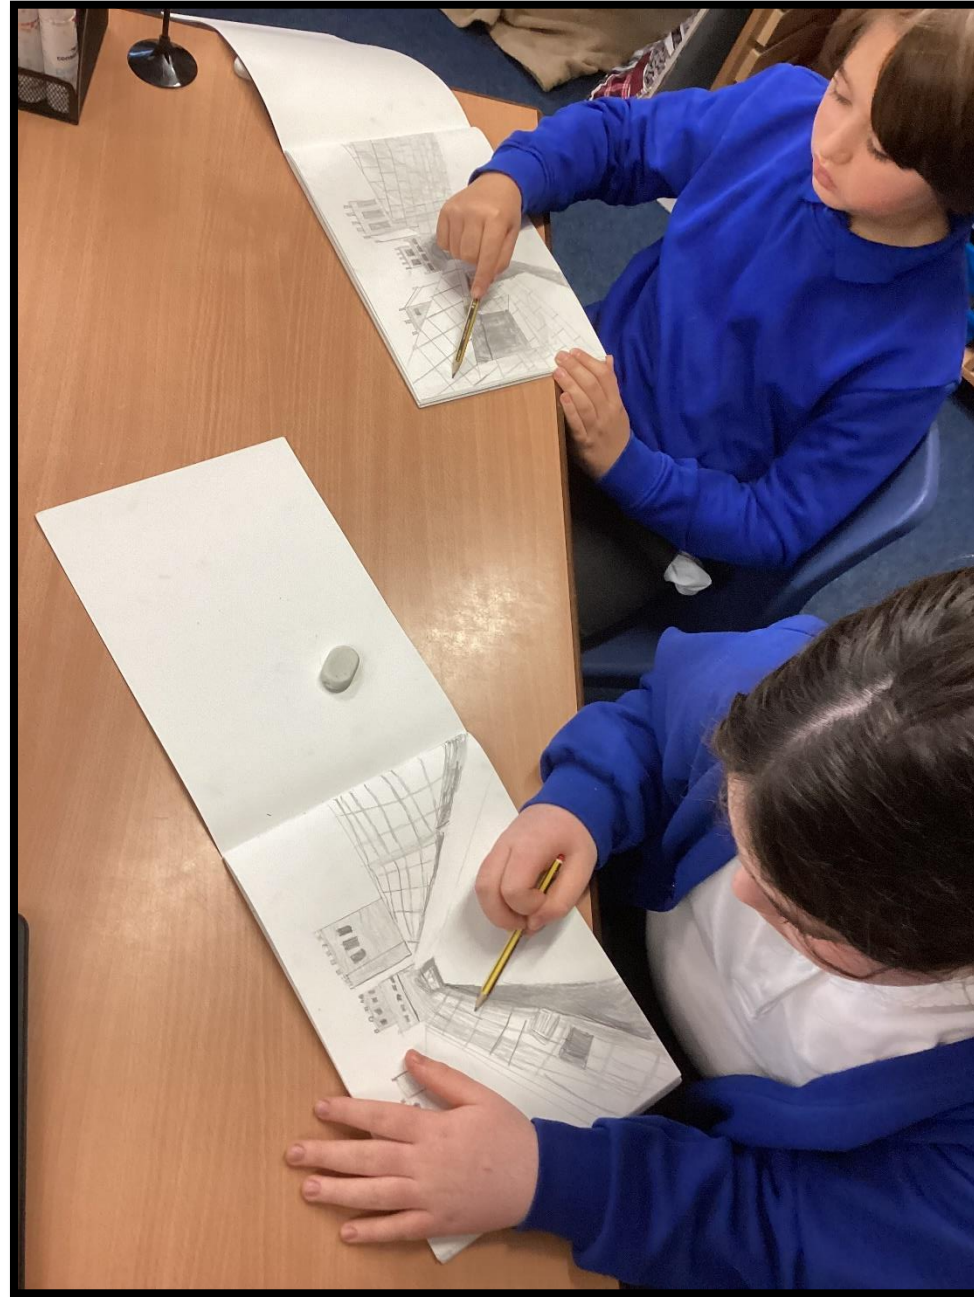

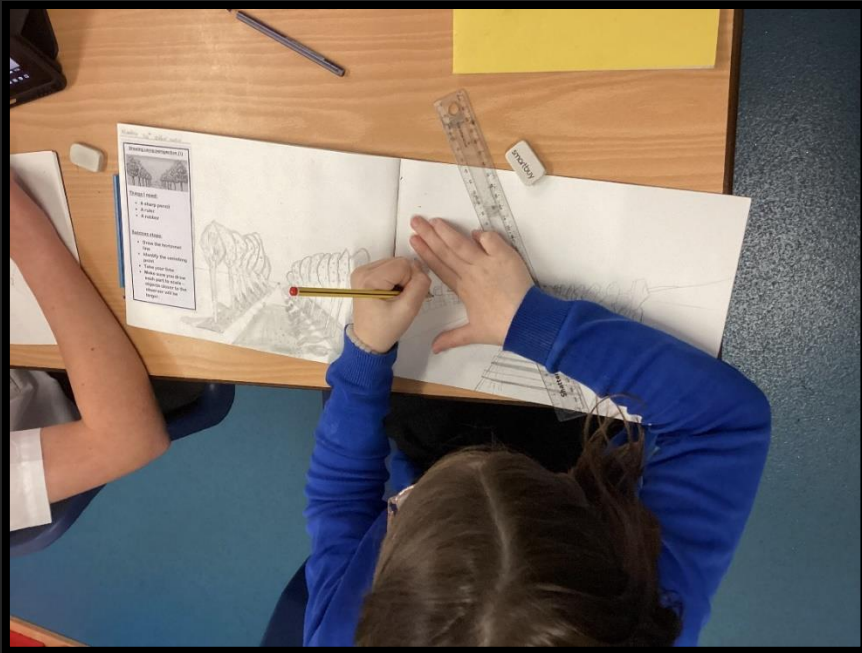

We were
delighted to
have Sunita visit
us this week.

She was able to
answer all our
questions about
what it means to
be a Hindu.

We have been refining our skills of perspective in art as we work towards our final showpiece!

Goats

Some of the
Chipmunks
attended a
memorial service
at the Bomber
Command Centre.

Barry even got to
read out a poem!

Chipmunks

Well done,
everyone!

Together, we
make a great
team!
