Rosie's Walk

Key Vocabulary

past

under

around

beehive

where bees make honey

fence

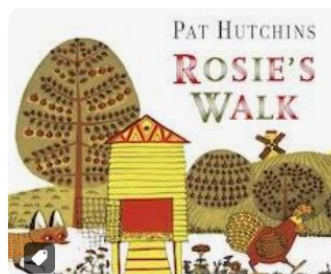

windmill

a windmill is a machine that uses the power of the wind

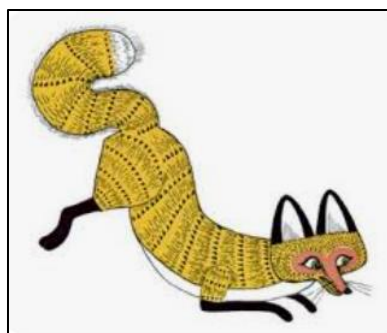

Please use the information below to support your child's learning at home 😊

Books we will be sharing...

We have been learning about Rosie's Walk. In the story there are lots of words which tell us about how and where Rosie went.

- Can you play a game and use the words "over", "under", "across", "around", "behind", "in front" to travel round your house or garden?

- ❖ What is your favourite walk you go on? Chat about the route with your grown-up.
- ❖ Look at a map. What do you notice?
- ❖ Can you make up a story like Rosie's Walk using your name in the title? Who would be trying to catch you? Where would you go?
