

Thursday 3rd April 2025

Dear families,

Thank you for your support throughout the Spring Term with homework, learning projects and fundraising!

It has been a good term in school. Together we have enjoyed family learning, including science and early years writing. We have shared our music learning with you too.

Highlights have included opportunities for children to attend the Young Voices event at Sheffield Arena, a Lincolnshire Cricket Day at Priory City, interschool netball matches and cross-country events.

Our geography curriculum has continued to enthuse children in their learning. This has been helped by partnerships with the Canals and River Trust, Lincolnshire Council's Sustainability Officers and Travel industry experts all of whom have given up their time to help give authenticity and meaning to the children's learning. Enhancements and opportunities have included collaboration with Rhubarb Theatre, World Book Day celebrations, Witham Priory Pantomime, Children's Mental Health week and National Science week.

Together we raised £389.20 for Comic Relief and £544.64 at the school Disco!

We have had lots of visitors in school this term; other professionals from our cluster schools, our school governors and local authority advisor. Our children have been amazing sharing their learning with these adults. All of our visitors, without exception, spoke of our children's friendliness, politeness and knowledge regarding their learning. Well done to them all! Again without exception the professionals visiting have commented on the positive ethos and kindness at The Meadows. This is super to hear and a huge well done to everyone.

I have a couple of dates to pass on to you for the summer term:

- The Friends of the Meadows would like your support at the school's Summer Fair which will take place after school on Friday 13th June.
- Weather permitting sports day will be held on Thursday 19th June

Y6 Parents - A special leavers' assembly will take place at the beginning of the day on Tuesday 22nd July.

Have a lovely Easter Holiday and we will look forward to seeing you all on Wednesday 23rd April!

Kind Regards,

Mrs Simmons

The Meadows Primary School
