

Summer Term 2025

Just a few quick safety reminders:

- Please remember to leave all children's bikes and scooters in the cycle stores at the front of school. Children must not ride around our school at the beginning and end of the school day!
- The trim trail, climbing wall and all other shelters and play equipment are not for use at the beginning or end of the school day. Please keep your children with you and escort them appropriately to and from the school playground and entrances.
- Mobile phones are not to be used in the school building.
- Please do not smoke in the immediate vicinity of the school gates.
- Please remember not to park or stop outside of the school. The cameras are live and have already caught some vehicles.

THANK YOU!
