

Dear all,

On Friday 11th July we will be opening our doors to let you take a look at some of the work we have been doing over the past few weeks. It is our creative term and on this day of creative celebration you will be able to take a look at samples of artwork from Preschool to Y6, and may even have time to practise your own skills with Y4. Throughout the day groups of children will be showcasing their work live; however, Reception, KS1 and Y3 classes who have mini live performances will have short video clips which are pre-recorded showing their work throughout the day.

There will be no celebration assembly on this day.

School will be open for visitors from 9am – 11.30 am and 1.30pm – 4pm. We have some special guests who specialise in creative arts appraising our work on this day and working with some of our children.

You will all be very welcome. Please come to the main entrance and your child can walk around the different display areas with you. You never know you might catch a little live performance during your visit.
