

Welcome to our Celebration Assembly!

OCTOBER 17TH 2025

We celebrated
harvest this
week.

Thank you for all
your donations!

Dragonflies

We've enjoyed
spending lots of
time learning
outside with our
friends!

Year 1

Bees

We've worked
really hard in our
PE lessons this
week!

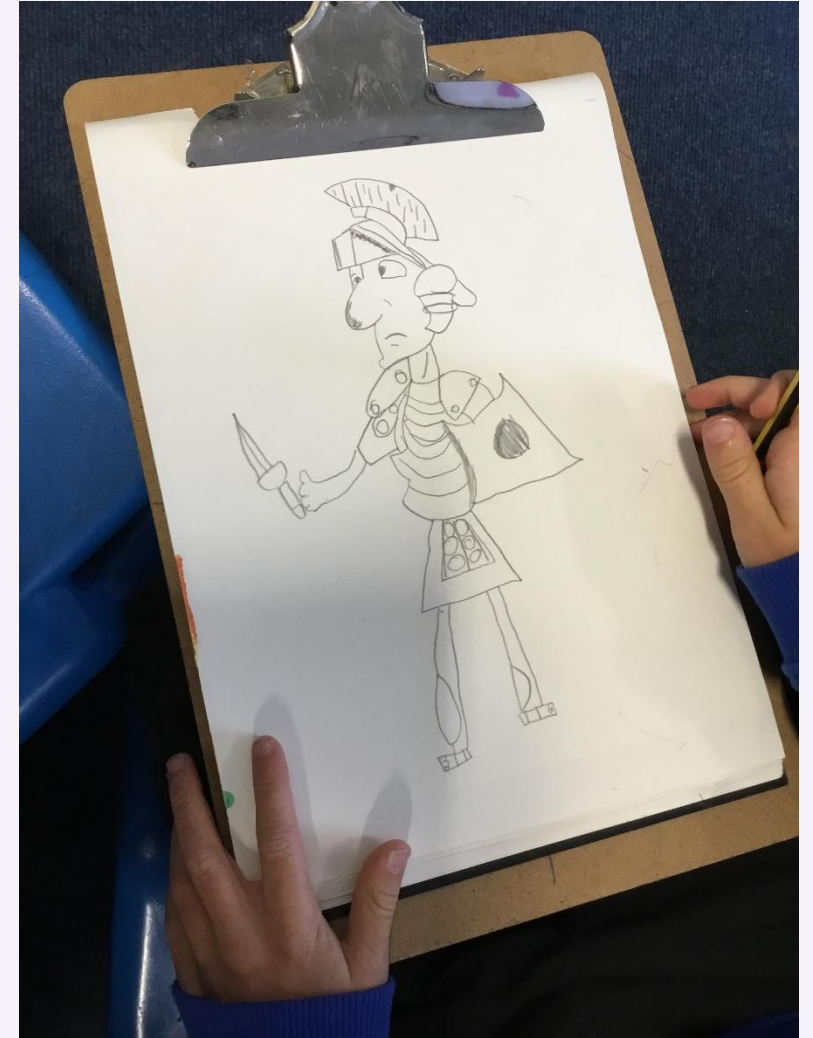

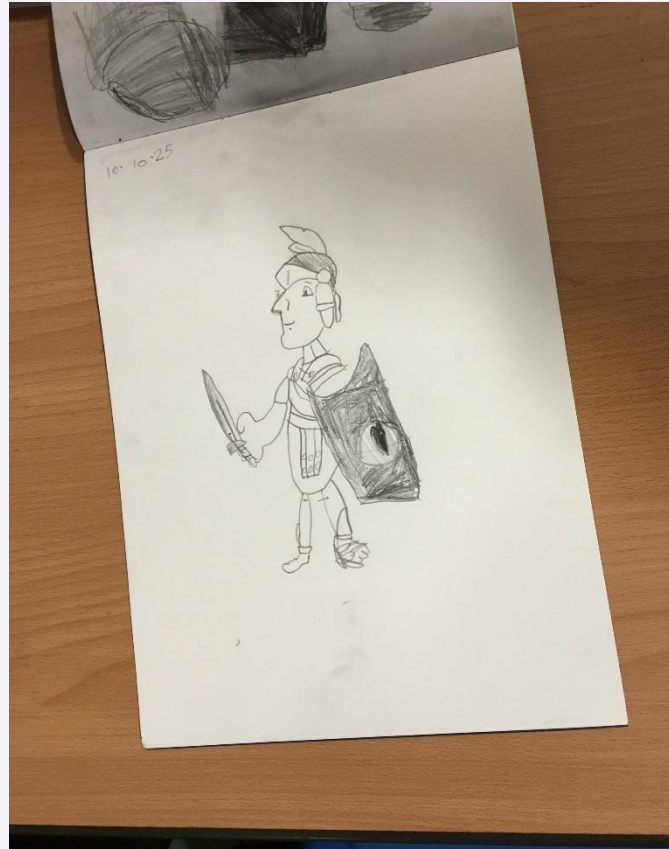

Spiders

**We love working
together on our
challenges
outdoors. It's fun
to explore, create
and learn outside!**

Year 2

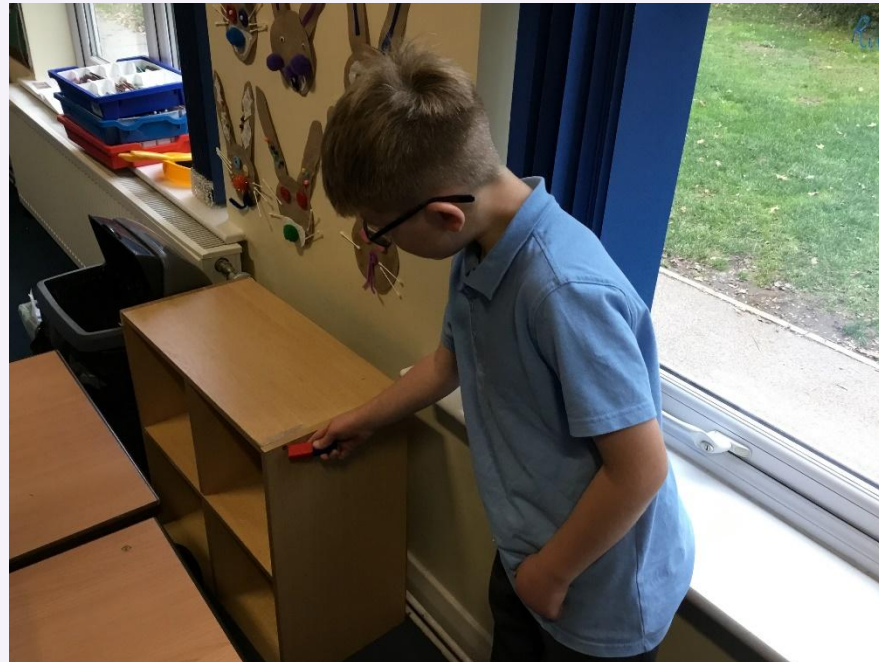

In art this week
we were learning
to sketch a
Roman Soldier,
step by step!

Hares

The Hares
enjoyed using
magnets identify
magnetic
objects within
the classroom.

Year 3

Hedgehogs

We have loved learning about reversible and irreversible changes in science.

Year 4

Meerkats

Every day, we
work really
hard to learn
and practise
our times
tables.

Year 4

10	10	20	30	40	50	60	70	80	90	100	110	120
11	11	22	33	44	55	66	77	88	99	110	121	132
12	12	24	36	48	60	72	84	96	108	120	132	144

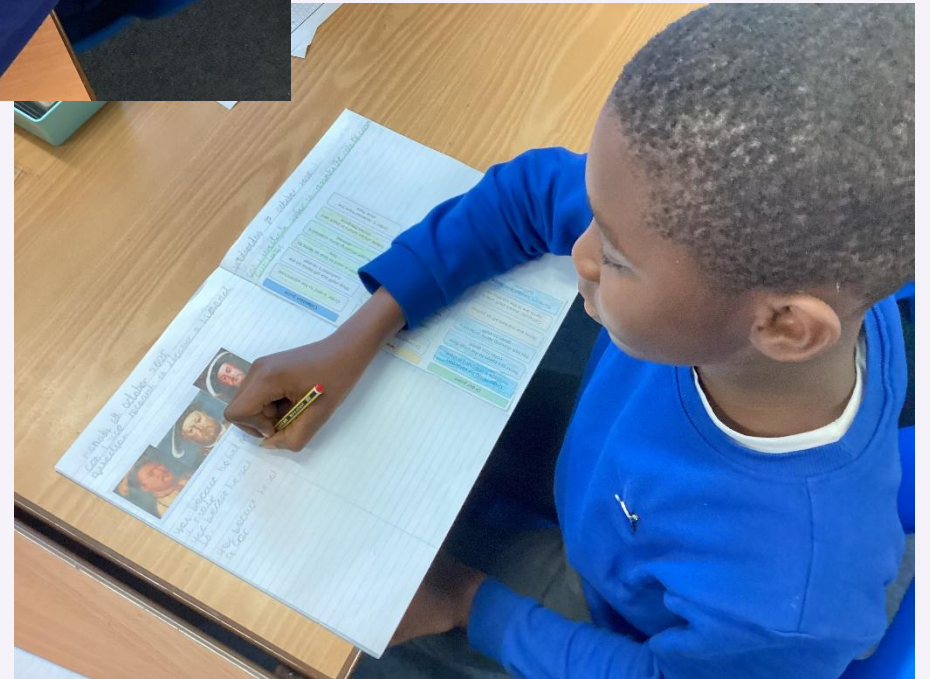

We have really enjoyed practicing our skills to create self portraits.

Wolves

This week, we have been investigating Henry VIII and deciding if we think he was a successful Tudor king.

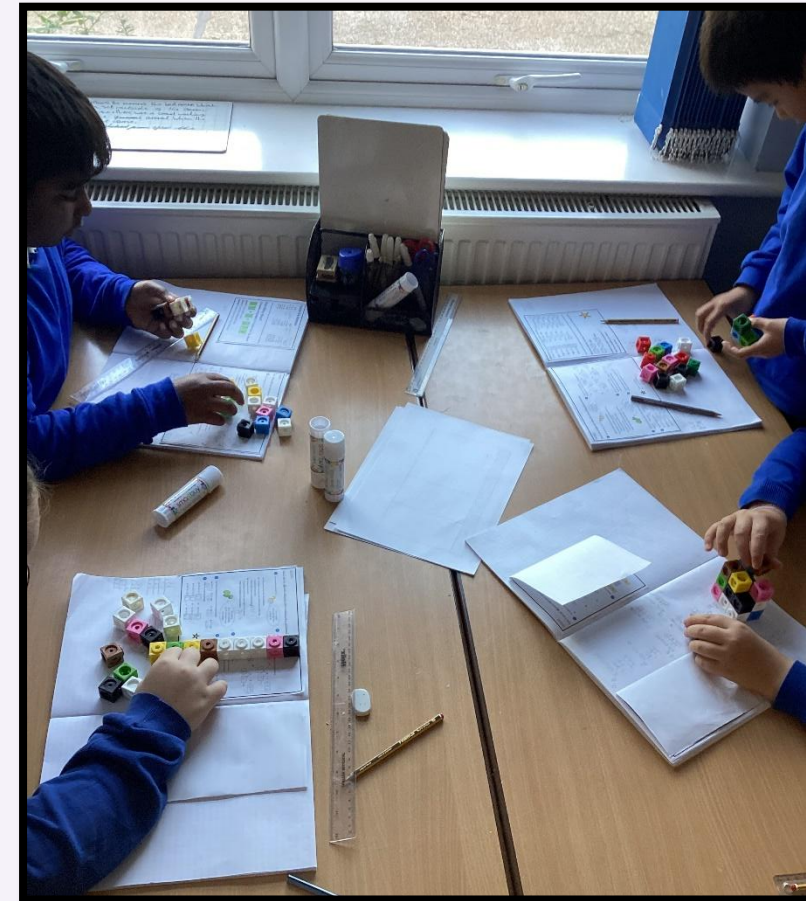

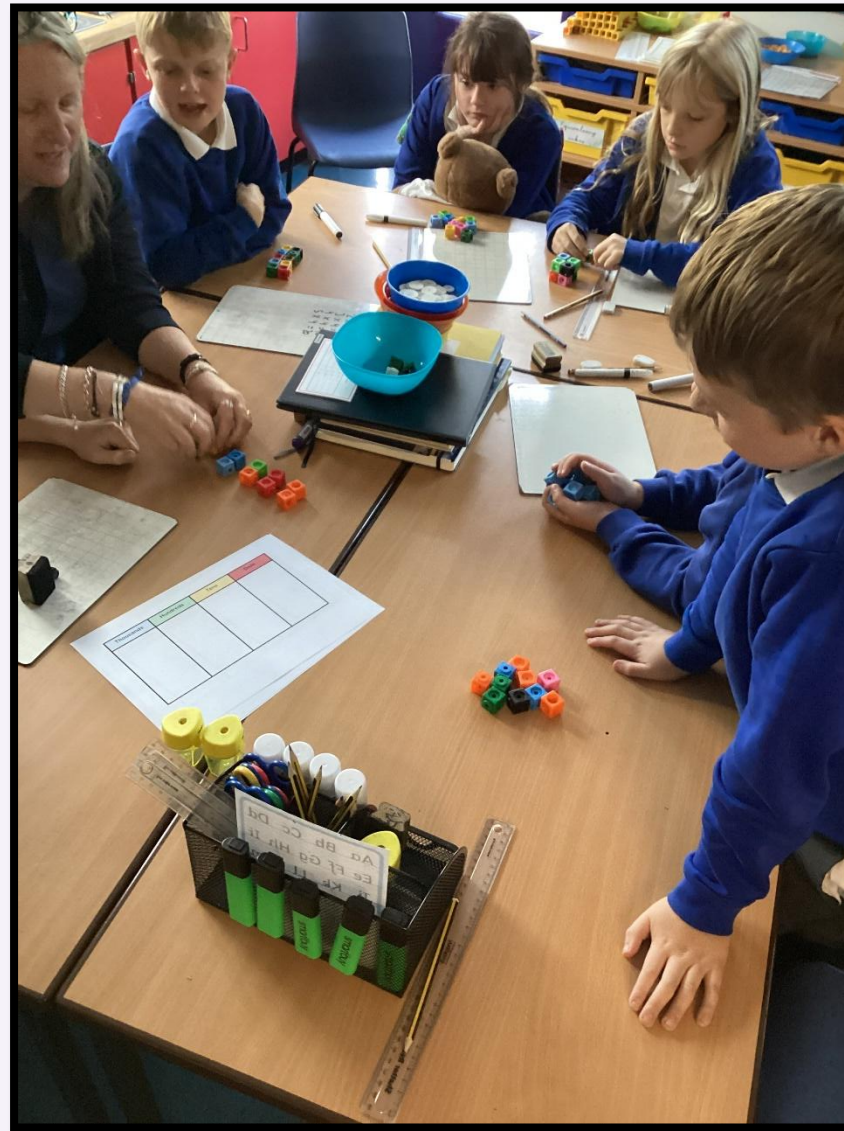

Year 5

Capybaras

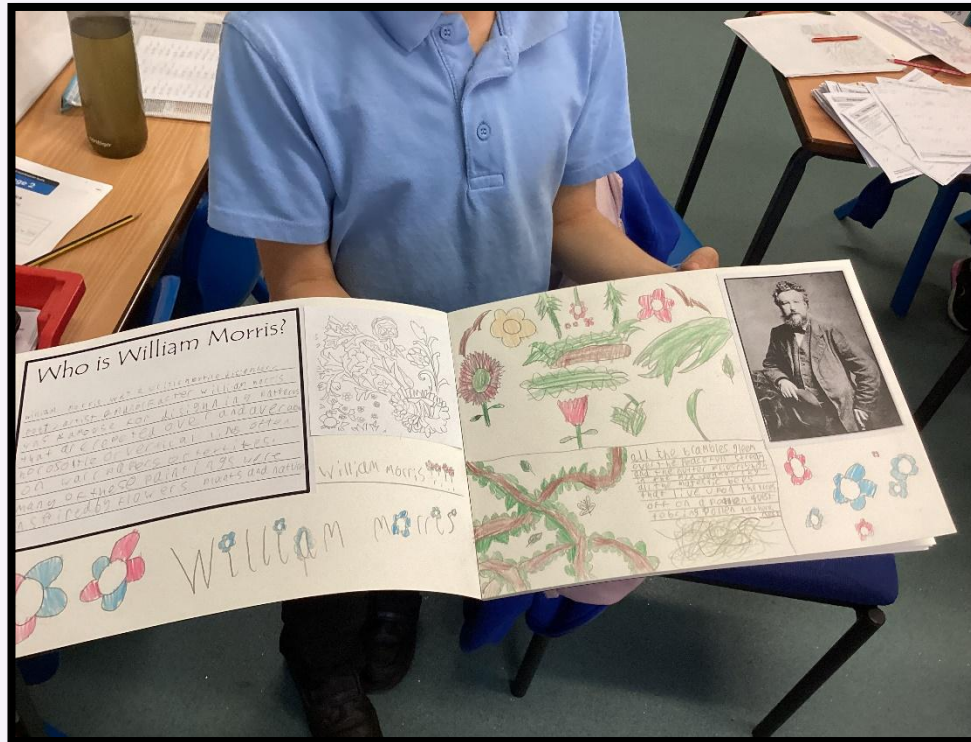

In our maths, we have worked brilliantly to solve division problems.

Year 6

Lemurs

We have enjoyed exploring the artwork of William Morris.

**Well done,
everyone!**
