

Moonster Phonics

Welcome to our Phonics Workshop

What is Phonics?

Phonics is a way of teaching children how to read and write. It helps children hear, identify and use different sounds that distinguish one word from another in the English language.

I need lots of skills to learn to read:

Daily Phonics

- Every day the children have 20 minute sessions of phonics
- Fast paced approach
- Lessons encompass a range of games, songs and rhymes
