

This week our focus is...

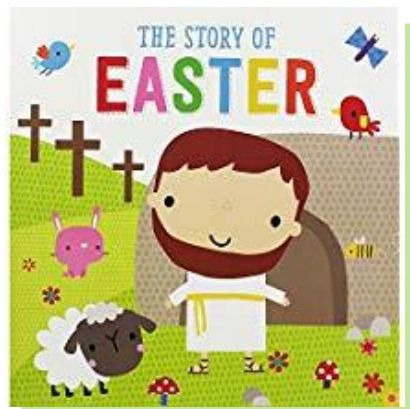

# Easter

Please use the information below to support your child's learning at home.

## Key Vocabulary

|                        |                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Easter</b>          | Easter is a Christian festival and holiday. At Easter, Christians celebrate the time when Jesus came back to life (resurrection).             |
| <b>Jesus</b>           | Jesus is a man who Christians believe is God's son. He showed people how to live and there are stories about his life in the Christian Bible. |
| <b>Easter Egg</b>      | An Easter egg is chocolate egg or decorated hard-boiled egg given shared at Easter time.                                                      |
| <b>Easter Egg Hunt</b> | An egg hunt is a game. Easter eggs are hidden for children to find.                                                                           |
| <b>Spring</b>          | Spring is one of the four seasons. At springtime, the weather becomes warmer. Leaves, plants and many flowers start to grow again.            |
| <b>Easter bonnet</b>   | An Easter bonnet is a special hat decorated with flowers. It makes people think of spring time.                                               |

A book we will be sharing...

## Easter questions?

- What is your favourite kind of Easter egg?
- What is God's son's name?
- Have you noticed any leaves growing on the trees?
- Can you name any colours of the flowers that are growing outside?

Decorated Easter eggs

## An activity to try at home

Can you decorate a hard-boiled egg and bring it into school on the last day of term?

We will go on the big field and roll our eggs. Be as adventurous and artistic as you like! You could paint, draw or stick things onto your egg.
