

10th February 2023

Far Ings National Nature Reserve

Years 3 and 4

Dear Parents/Carers

Year 3 and 4 are going to Far Ings National Nature Reserve as part of their geography learning this term. The children will take part in a range of exciting activities linked to understanding the importance of water. They will explore the different bodies of water and learn how it can be used in different contexts.

Year 4 The Foxes and The Hedgehogs	Tuesday 14th March 2023
Year 3 The Otters and The Squirrels	Wednesday 15th March 2023

The visit will take place on **Tuesday 14th and Wednesday 15th March**. The children will travel to Far Ings by coach, which will leave school at 9:00 am and return to school at approximately 3.30pm (traffic permitting). Please ensure your child arrives at school by **8.45am** for registration.

All children will need a packed lunch for the trip. Children entitled to Free School Meals will have a lunch provided but will need to bring a drink from home (no glass bottles or fizzy drinks please). A backpack would be useful on the day if children have one. **Children should wear their school sweatshirt and their black P.E joggers, coat, hat and sensible walking shoes or wellington boots.** Waterproof trousers or splash suits are great too if your child has some to wear over their uniform. If you have already ordered a hot meal on these days, please contact Good Lookin Cookin to convert your order to a packed lunch or to request a refund.

In order for the visit to take place, it is necessary to ask parents/carers for a voluntary contribution of £12. Please be aware if sufficient funds are not raised, the trip will not go ahead. Please give consent for your child to take part in this visit and make a voluntary contribution of **£12** via your ParentMail account (under Payments > Shop) by no later than **Monday 6th March**.

If you have any queries about this visit, please do not hesitate to contact your child's class teacher.

Yours sincerely

The Lower Key Stage 2 Team
