

This week our focus is

Autumn

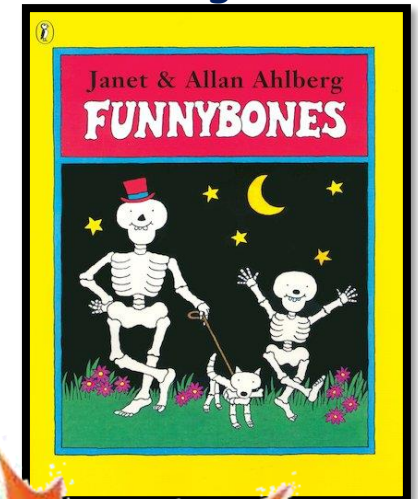

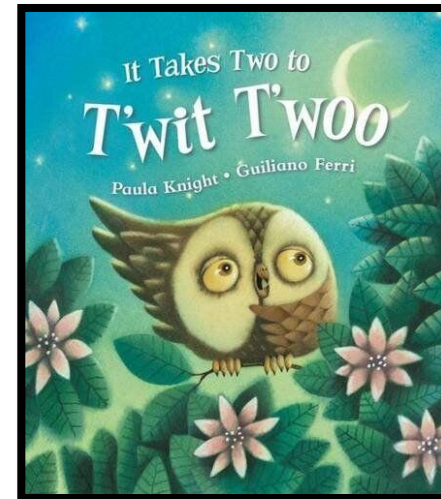

Please use the information below to support your child's learning at home ☺

Key Vocabulary used

Autumn	Autumn is a time of change. Leaves change colour and fall from trees.
Leaf	A leaf is a part of a plant attached to a stem.
Fir cone	The seed-producing cone of a fir tree.
Conker	The seed of a horse chestnut tree.

Books we will be sharing:

Can you remember what we call this season?

Can you find a fir cone and a conker?
